

Are you curious, motivated, and forward-thinking? At FIS you'll have the opportunity to work on some of the most challenging and relevant issues in financial services and technology. Our talented people empower us, and we believe in being part of a team that is open, collaborative, entrepreneurial, passionate and above all fun.

Internship in FIS

Location: Belgrade, Serbia

We are looking for **recent graduates** or **students in their final year of study** to work and gain practical knowledge during six months full time internship. This internship will be paid and candidates are expected to work 40 hours per week. Candidates will get an opportunity for a full time employment (based on their completion of studies and internship performance). We are looking for interns who will join our team as:

- **Java Developer Intern**
- **.NET Intern**
- **C++ Intern**
- **Quality Assurance Intern**
- **Business Analyst Intern**
- **DevOps Intern**
- **Technical Analyst Intern**
- **Developer Consultant**

Each intern will get hands on experience and a mentor who will work with him/her in order to teach and develop their skills on daily basis.

Prerequisite qualifications for candidates:

- Must be university graduates or in their final year of studies with 3 or less exams left before graduation
- Candidates should have ability to work both in a team environment and alone;
- Good communications skills are expected
- Written and spoken English is required

We look forward to receiving your application. Please see more information about each of these internship, and apply on this site: <https://www.fisglobal.com/careers/Jobs>
