

WHERE PASSION LEADS TO EXCELLENCE

Based in Belgrade, ELSYS Eastern Europe is a subsidiary of ADVANS Group which is a European group of experts in electronic systems and software. Our 1000 engineers serve a range of industries: in multimedia/wireless, service, medical, network/telecom, energy, aerospace, defense, automotive and IT.

For our offices in **Belgrade and Novi Sad**, Serbia, we are looking for:

Analog Custom IC Layout Engineer 3 positions - Internship

ELSYS Eastern Europe is announcing open positions for the summer 2019 internships and entry level permanent positions.

Description:

You will be a part of analog layout team, constituted of engineers with different level of experience, from analog layout experts to juniors. Your work on these activities will be challenging and you will have the opportunity to work with industry experts on the state-of-the-art processes, tools and flows.

- Interns will be engaged in analog layout design including:
 - Full custom analog IC layout design methodologies
 - Using Cadence tools for layout design
 - Layout design of several common analog circuits
 - Using Cadence tools for layout design verification (DRC/LVS)
- Intern will receive full training and support from our experienced engineers.
- Internship duration is 4 months with starting date **15th July** or differently defined with candidate
- Full time internship 40h a week or differently defined with candidate
- Internship project can be subject of a bachelor/master thesis or seminar paper
- Interns will receive monthly compensation
- Company will provide accommodation if interns are outside of Belgrade

Qualification Requirements:

- Final year student or fresh graduate with B.Sc. or M.Sc. degree in electrical engineering
- Motivated, proactive, hard working
- Relevant courses/knowledge: basics of analog electronics, VLSI basics
- Familiar with basic analog IC design/layout, CMOS technology and IC manufacturing concepts, Cadence tools knowledge is a plus
- Good knowledge of English language is a plus

Employee Benefits:

- Integration Program in a Professional, Young & Dynamic Team
- Professional Development Opportunities
- Competitive Salaries & Benefits
- Compensation package includes also Additional Health Insurance, Sport & Social activities
- International Work Environment & Traveling Opportunities

All interested candidates are invited to apply on following link www.elsys-eastern.com/career/internships with **CV and motivation letter in English**, indicating the field of interest, relevant college courses and projects. Deadline for application: **26th May**. Interviews are planned from end of December / beginning of January; the final list of selected candidates will be announced by **14th June**.
